Give him a dose of salt and water, ...

Put him in the long-boat till he's sober, ...

Heave him by the leg in a running bowlin', ...

Take him and shake him and try to awake him, ...

Give him a taste of the bosun's rope-end, ...

Put him in the long-boat till he's sober, ...

Pull out the plug and wet him all over, ...

Heave him by the leg in a running bowlin', ...

That's what to do with a drunken sailor, ...
